Stewartstown Lions Club

Purpose

The purpose of a Lions Club is to provide services to the community, to the visually handicapped, to persons with defective hearing, and in general to provide help to those in need. The motto of the Lions is We Serve.

Serving Stewartstown

For more than seventy years the Lions Club has served the Stewartstown area. Lions volunteer their time and services for community events. The Lions Club has also been a sponsor of Boy Scouts and Cub Scouts of Stewartstown since they were chartered.

**The Stewartstown Lions Club lives up to the motto
"WE SERVE"**

Monthly Meetings

The Stewartstown Lions Club meets the first and third Tuesdays of the month at local churches. A 6:30 p.m. dinner meeting is filled with fun and fellowship. (*The tailwister is full of surprises!*) Special speakers and programs are scheduled each meeting. A family Christmas party, summer picnic, and ladies' nights are planned each year. Trips to dinner theaters, district meetings, and special events provide opportunity for family participation. State and International conventions are family oriented.

Fundraising

Monies for various projects are provided by several fundraisers including Chicken Barbeques, 5K Run, Golf Events, Bingo, and other planned functions geared to raise funds for charitable purposes..

Special Service

We're reaching beyond the local needs with

The Work of SightFirst

Lions' SightFirst program is one of the most effective public-health initiatives in history and exemplifies our dedication to our "We Serve" motto. On average, US\$6 saves someone's sight. Lions, through the work of SightFirst, have become leaders in the fight against preventable blindness. SightFirst has accomplished much since 1990.

What more could you want from an organization that does so much and asks so little in return? If you are considering a service organization, place the Stewartstown Lions Club at the top of your list.

Remember, you will become a part of Lions International, the largest service organization in the world.
